Session 01 group quiz
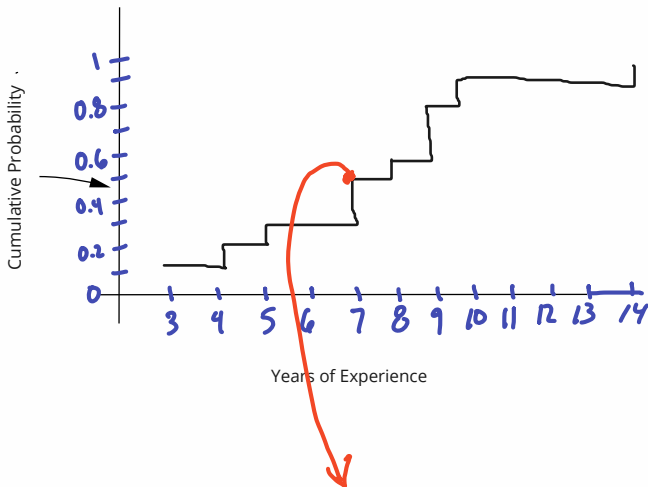

Here are the number of years of experience in the field for 10 job candidates:

3 4 5 7 7 8 9 9 10 14

1. Graph the empirical CDF of the data by hand and include relevant labels for both axes.

2. What proportion of the candidates have 7 or fewer years of experience? (full sentence)
3. Indicate your answer to part 2 on your graph.

2.) 50% of the candidates have 7 or fewer years
